

## eLearning courses by category – Price list (1/2)

Category	Title	Price (€)	Duration (Hours)
Naval Architecture & Marine Engineering	Introduction to Naval Architecture	900	18
	Ship's Structure Fundamentals	380	3
	Inclining Test and Lightweight Measurement	280	1
	Marine Engineering Fundamentals	480	5
	Propeller and Shaft Installations	280	2
	Shaft Alignment	380	3
	Boiler Installations	280	3
	Quay and Sea Trials	200	2
	Introduction to DP Systems	280	1,5
Materials, Welding & NDT	Materials in Shipbuilding	380	4
	Corrosion and Coating	380	4
	Welding Fundamentals	580	7
	Aluminium Welding	280	2
	Introduction to NDT	280	1,5
	NDT – Penetrant Testing	280	1,5
	NDT – Magnetic Particles Testing	280	1,5
	NDT – Radiographic Testing	280	1,5
	NDT – Ultrasonic Testing	280	1,5
	NDT – Advanced Techniques	280	2
Class & Statutory Surveys	Introduction to Class and Statutory Surveys	280	1,5
	Load Lines	280	2
	SOLAS Safety Equipment	580	5
	SOLAS Safety Radio	200	1
	COLREG	200	1
	MARPOL Oil Pollution from Machinery Spaces	200	1
	MARPOL Oil Pollution from Cargo Spaces	200	1
	MARPOL Air Pollution	200	1
	MARPOL Sewage Pollution	200	1
	Cargo Gear and Lifting Appliances	280	2
	Anti-Fouling Systems	200	1
Rules & Regulations	Ballast Water Management	280	4
	Introduction to PSPC	200	1
	Polar Code	380	5
	Shipbuilding and Repair Quality Standards	200	1
	Transport of Dangerous Goods by Sea	380	5

## eLearning courses by category – Price list (2/2)

Category	Title	Price (€)	Duration (Hours)
Shipping	Maritime Regulatory Bodies	200	3
	Maritime International Conventions	380	5
	Personal Safety on Board Ships	280	1,5
	Port State Control	200	2
	Shipping	200	2
Cybersecurity	Cybersecurity Awareness in Maritime Environment	100	1
	ISM Code and Cyber Risk Management	200	2

## eLearning courses by alphabetical order – Price list (1/2)

Title	Price (€)	Duration (Hours)
Aluminium Welding	280	2
Anti-Fouling Systems	200	1
Ballast Water Management	280	4
Boiler Installations	280	3
Cargo Gear and Lifting Appliances	280	2
COLREG	200	1
Corrosion and Coating	380	4
Cybersecurity Awareness in Maritime Environment	100	1
Inclining Test and Lightweight Measurement	280	1
